PROFILE

CS undergraduate at VIT Chennai with hands-on experience in UI/UX design, event management, and creative content production. Proficient in Figma and wireframing, passionate about crafting user-centric, visually consistent digital experiences. Seeking an Internship to contribute intuitive interfaces and scalable design thinking to a growing team.

EXPERIENCE

Design Team Head — Apr 2025 - Present
Android Club VITC · Chennai

- Designed UI/UX screens and interaction flows for the club's Android application.
- Created branded Instagram posts and promotional creatives maintaining visual consistency.
- Led UI/UX design for Wedroid, the club's internal point-tracking Android app, delivered wireframes, user flows, and Figma prototypes for developer handoff.

Event Management Member — Jul 2025 - Present
CodeChef-VIT Student Chapter

- Served on the organising committe and participant communication for coding contests.
- Acted as student coordinator, liaising between teams to ensure smooth event execution.

PROJECTS

SoleCraft : Footwear E-Commerce Store — HTML · CSS · JavaScript
Designed and developed a fully responsive web storefront with intuitive navigation, clean visual hierarchy, and mobile-first layout principles.

Heart Attack Risk Predictor — Python · Data Science · ML
Built a classification model to predict cardiovascular risk using clinical datasets; performed feature engineering and model evaluation with visualised insights.

Hack-n-Droid 2.0 - Design & Creatives — Canva · Visual Design · Brand Identity
Designed visual branding for Hack-n-Droid 2.0 - posters, Instagram posts, grid layout, and ID cards - ensuring consistency across print and digital formats.

Wedroid: Club Point Tracking App(Android Club VITC) — Figma · UI/UX Design
Designed the end-to-end UI/UX. Created user flows, wireframes, and high-fidelity screens in Figma, focusing on intuitive navigation, visual consistency, and a clean design system

Voice Command Assistant — Python
Developed a voice-activated assistant integrating speech recognition and command execution for hands-free device control.
